SHINY
GLASS TILES ✨

ITALIAN LUXURY DESIGN

Il Brand Shiny Glass Tiles produce piastrelle realizzate in vetro frutto del saper fare tutto Italiano.

L'azienda infatti vanta un' esperienza nel settore da oltre 50 anni. La sede è situata nella provincia di Vicenza una città ricca di arte, senza dimenticare l' architettura Palladiana.

Shiny Glass Tiles realizza prodotti altamente qualitativi, trasmettendo bellezza ed esclusività in ogni singola creazione: dalla clientela più esigente e raffinata, all'unicità e artigianalità del singolo cliente.

Il Brand, è sempre alla ricerca delle nuove tendenze, per offrire un prodotto unico nei mercati Internazionali dove il "Made in Italy" è sempre il protagonista assoluto.

Shiny Glass Tiles was established by a fully Italian family business based in the province of Vicenza, City of Art and a territory rich in Palladian architecture.

Beauty is embedded in our DNA and in his little workshop, the founder Antonio Meneghetti creates printed glass tiles.

The Meneghetti family can claim a consolidated experience of more than fifty, from the production of stoves and ceramic products to the development of glasses as furnishing material.

Our story goes on and follows the evolution of the trend, with the ongoing quest for elegance, love for tradition and taste for innovation.

Our glass works are the detail par excellence that conveys an exclusive beauty of personalized solutions of great value aimed at a very demanding clientele looking for unique and original products.

VERSATILY ORIGINALY SUSTAINABILITY

Il vetro aumenta il fascino dell'ambiente ed è meraviglioso il modo in cui
cattura la luce e trasmette piacevoli sensazioni.

Architetti, interior designers e art directors possono dare spazio alla
creatività in ogni direzione mettendo come protagonista assoluto le nostre
piastrelle di vetro in soluzioni innovative e concepts esclusivi.

Il vetro è il materiale del futuro ed è completamente riciclabile.

Il vetro più che mai si propone come prodotto principe per costruzioni
moderne, funzionali, energeticamente migliori ed ecosostenibili.

*Glass increases the appeal of the environment and it is wonderful the way
it captures light and transmits pleasant sensations.*

*Architects, interior designers and art directors give space to creativity
in every direction, putting our glass tiles as an absolute protagonist in
innovative solutions and exclusive concepts.*

Glass is the material of the future and it is completely recyclable.

*The glass is, more than ever, proposed as a main product for the
construction of modern, functional, energy-efficient and
environmentally friendly buildings.*
